5209 Western Turnpike  
Guilderland, NY 12084

Dear Mr. Kovalchik:

The Capital Region Interfaith Creation Care Coalition is an organization of individual members from various diverse faith groups in the Capital Area. Our primary purpose is to advocate for and work to protect creation.

I am writing to you to voice our opposition to the proposed Pyramid Group's proposal to do massive construction work adjacent to their Cross Gates Mall property in Westmere. We believe the project is a threat to the Albany Pine Bush and will also increase the amount of CO2 going into the atmosphere. We hope that you will do all in your power to stop this development.

Thank you for your attention.

Sincerely

David Cullen

Convener
