Message:

Sir,

This letter is to tell you I am very much opposed to the development of apartments and Costco around rapp rd.

I am a resident of village in the green condos off pine lane. This development would DIRECTLY impact my quality of life here, where I have lived for over 30 years. Green space has become a most valuable commodity in my area. I see it shrinking more every day. Please, we certainly do not need another gas station in the neighborhood. Goodness we most definitely do not need more retail!!!!

I do realize that pyramid co. has a very large economic influence on Guilderland, but please stop and think of the price you are paying for this income. I hope and pray that you realize it's just not worth it.

Thanks for listening
