To Whom It May Concern:

I moved back to guilderland recently, having been in Ohio for the past 19 years. I have been a costco member for over 10 years. Most costcos are located in affluent suburbs, guilderland would certainly fit. I could go on and on about how convenient it is to get my tires changed while i shop, or how great it is to save on groceries, but the best thing about costco is that people will come from an hour or more away and inject money into our local economy. My family and I drive to the costco in springfield, MA. I would much rather spend my money in guilderland than spend it across the border.

Thank you for your time and consideration,
