Hello,

I would like to state that as a Town of Guilderland resident, that I fully support the ongoing Costco project and other building projects along Western Ave and Rapp Rd that are proposed in Westmere. The projects will add to the tax base, reducing the impact on individual property tax payers, and will turn blight along Western Avenue between Crossgates Mall Road and Rapp/Johnston Road into new development, as was done recently with the property where the Homewood Suites is located. Not to mention, Costco is a great business to bring to the area.

Thanks
