RE: Public Comment: Rapp Road Residential/Western Avenue Mixed Use Redevelopment Project

Dear Kenneth Kovalchik,

Please accept this letter in support of the Rapp Road Residential/Western Avenue Mixed Use Redevelopment Project. As one of the companies that will be most impacted by this, we will be doing the plumbing portion of the complex. This project will help us provide 20-25 Plumbers & Steamfitters work and also bring in 3-5 new office employees. We will be purchasing all of our material from local companies in the Capital Districts well.

As a member of the Town of Guilderland community for over 20 years, I know the importance of these projects. These will bring more young people to the community and create more work.

For these reason, Collett Mechanical, Inc. fully supports the Rapp Road Residential/Western Avenue Mixed Use Redevelopment Project and believe it will have a meaningful and sustainable impact on the Town of Guilderland community.

I trust this meets with your approval, please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads 'Jack Collett'.

Jack Collett
President/CEO
