Please bring the best national discount warehouse to Guilderland now! As a Guilderland resident living near proposed site for several years we NEED the tax base, competitive product selection, and the opportunity for enhanced retail leadership! Thank you Alan Longshore

As a fifty year resident of Guilderland COSTCO will be a win/win situation. It will provide us an opportunity to shop at the highest rated warehouse business in our country. It will be located in a commercial zone with excellent access roads, it has a tax benefit for the entire town. I strongly Support approval of this proposal.
