RE: Public Comment: Rapp Road Residential/Western Avenue Mixed Use Redevelopment Project

Dear Mr. Kovalchik,

My family and I reside in Guilderland, New York. We have enjoyed living here for the past 9+ years, appreciating all the convenience this town has to offer. We are centrally located to our jobs, are surrounded by shops and restaurants within a 10-mile radius and have a light commute when venturing to and from home.

I was excited to hear about the potential of Costco and other Crossgates Mall projects. As a young family in the area, the tax revenue generated that would go towards property and the school district is welcomed especially from vacant land. I know the new hotel will also help in this regard.

We are excited about these new potential additions.

Best,
