

Leaf Collection Schedule 2025

Bob Haver, Highway Superintendent

From the Highway Superintendent:

As the vibrant colors of autumn begin to grace our streets, the Town of Guilderland Highway Department is pleased to announce our annual Fall Leaf Clean-Up Program. This service is provided as a courtesy to residents to help manage seasonal yard waste efficiently and sustainably.

Beginning October 14 highway crews will begin circulating through neighborhoods to collect loose leaves placed neatly at the roadside. Please note the following guidelines to ensure a smooth and timely collection process:

- Rake leaves to the edge of the curb or roadside, not into the street, to prevent clogging storm drains and creating traffic hazards.
- Do not include branches, sticks, grass clippings, or other debris in your leaf piles. These can damage our equipment and delay service.
- Please avoid parking vehicles in front of leaf piles, as this prevents our crews from accessing them with the vacuum trucks.

We appreciate your cooperation in making this program a success. Our team is committed to keeping Guilderland clean and safe, and we thank you for doing your part.

If you have any questions or need additional information, please contact the Highway Department at (518) 861-5108.
