Dear Mr. Kovalchik:

My wife Kathy and I have lived on 17 Westmere Terrace for the last 26 years. Despite being off a main street, it has always been a quiet neighborhood with a cul de sac at the end of the street.

We have worked diligently with the Pyramid Company and the town over the last six months to insure that the street would remain as it was with limited disruption. The agreement spelled out provided us with a series of significant recommendations that we developed as part of a good faith effort.

We reached a level of agreement with Pyramid but we need the agreement to be codified and signed. Of great significance to us is also that the agreement with Westmere Terrace also be reflected in the EIS.

Our way of life is being impacted and we will continue to raise our concerns about this expansion.

Sincerely,

Glenn Liebman
