Department / Group Relating to Comment	Planning Board
Are you a Guilderland Resident?	No
What was the nature of your request/question?	Dear Guilderland Town Board, I work in the Town of Guilderland and the Pine Bush is a

special place. It's not just green space, it's home to a rare ecosystem we're lucky to have right here in Guilderland.

The Comprehensive Plan should preserve what's left. If the Town can acquire the remaining privately-owned land and add it to the Albany Pine Bush Preserve, it'll be making a bold commitment to conservation and community.

Sincerely,
Stephen J Woodard
