Thank you, Ken. We and the Commission are truly grateful for the recognition of the value and importance of the Preserve within the Town and that it's captured in this level of detail in the Comprehensive Plan Update.

We appreciate Town's ongoing support of the Preserve and the Commission's efforts to manage and protect this critical resource.

Chris

Chris/Neil,

After a 3 1/2 year process the Town Board will be considering adopting the Comprehensive Plan Update at the 11/18 meeting. In Section 1 of the plan we've incorporated information about the Albany Pine Bush Preserve and Ecosystem. See link below to the agenda and comprehensive plan materials.
