Hello!

I want to show my support for both upcoming public hearings for the proposed and Town Planning and Zoning Board approved Costco project.

Costco is well known for their wonderful employment and we would be extremely lucky to add a business like that to Guilderland. The area is zoned for this commercial use and the community improvements have already begun with the addition of the roundabout work with CDTA. I ask that you please consider approving on both upcoming public hearings as other Western Ave projects have also been approved.

Thank you for your time,

Kristin Ferris
