Hi. I'm a resident of Guilderland and have been very much in favor of this project since it was first announced. A Costco will add much needed employment and pump up the economy in our town on land that appears to have been vacant as long as I have lived here. We used to have a Sam's Club near Crossgates Mall that was a convenient location for us to shop, but they moved out when Walmart was built in that location. As I understand it, people really like shopping at Costco and they often drive around 90 miles to Springfield, MA to shop there. Costco would bring in people from the surrounding areas and not just the Capital District. The traffic would increase, but the new traffic circle near the mall and I-87 would help with that issue. My family and I are looking forward to being able to shop at Costco as well as local businesses in the area. Thank you for your consideration. Sincerely, Karen O'Shaughnessy
