Good Evening Mr. Csaposs,

I have followed the news about the potential of Costco being built here in Guilderland for years now and just wanted to send a note along to let you know that I stand behind this project. I have lived here in Guilderland all of my life and having a Costco this close would be a wonderful addition to the area. It was great to see that the Guilderland Planning Board and the Zoning Boards both previously gave their approvals on the project, and now I'm hoping the IDA will do the same. Other projects have been given the deserved tax breaks around here so it would be wonderful to see the same for Costco. I know that this is a brand that people will travel for, so having it here will just ensure that this town continues to thrive. Please take into consideration my support as part of both of the public hearings that are on the agenda for May 31st. Thank you for working so hard to make this happen.

Sincerely,  
Jason Palatsky
