Good morning,

I want to show my support for both upcoming public hearings for the proposed and Town Planning and Zoning Board approved Costco project.

Costco is a very well known reputable employer and would be a wonderful addition to not only the area but for the Town of Guilderland. The jobs, revenue, sales tax, property tax and other revenues alone make sense to approve this project and bring Costco to Guilderland. With the land zoned for commercial use and improvements already underway with the roundabout I ask that you please consider approving on both upcoming public hearings.

Thank you,
Mandy
