Dear Guilderland IDA,

This letter applies to both public hearings being held for Costco on May 31, 2023. I am a business owner and am in support of Costco opening on the Crossgates parcel. The planning board and zoning board have already approved the project indicating their support. It will bring additional people to Crossgates and the surrounding area, which will be helpful to my business and others' nearby. We should help Crossgates evolve and stay relevant because it helps support this area. Costco is an amenity that local residents will use and something that prospective residents will consider when looking to move to the area. Please approve.

Thank you

Abul Basar
